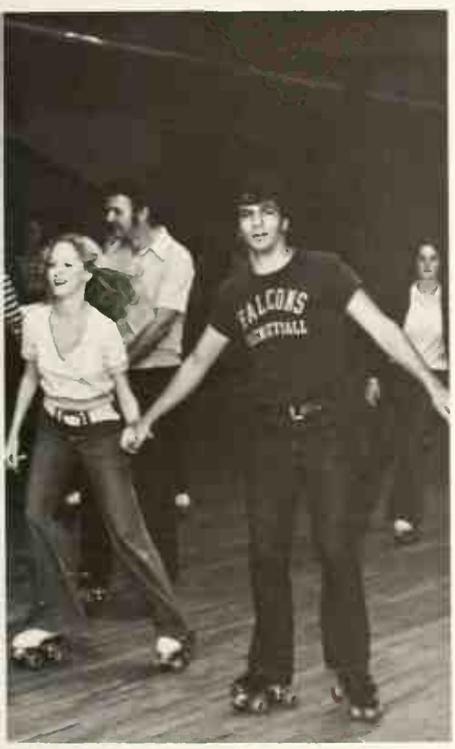
Do
You?

People, places and things

Roses are red
This is our tribute to you
Firestone High School
We'll always remember you.
Spirit Week
We made our mark
Seniors took first on a lark
Teambackers (Rah!)
New Green Tees (Yea!)
B-E A-G-G-R-E-S-S-I-V-E !
Are we with 'em!
Yea, man!
Let us introduce our class officers . . .
Cathie, Coby, Emily and Skip (ey?)
V-I-C-T-O-R-Y;
That's the Senior Battlecry
Dashing through the snow
In a one-horse Chevrolet
O'er the parking lot we go
Sliding all the way . . .
Oklahoma!
Oh! What a beautiful production
Oh! What a beautiful play
We've got a beautiful feeling
Everything's going the
Music department's way
Aerosmith—out-a-sight
Gym floor—not so right
Football in the fall
At least we didn't lose them all!
See the greenhouse—See it grow
We think the grass does need a mow
See the bugs—They run and hide
Smell the fragrant insecticide
Our kind of band
Is number one
Our kind of band
Is loads of fun
Our kind of band
Is gold and green
Our kind of band
Looks mighty mean
Debate—How do you rate?
NFL—Oh! So well!
The hallowed name is Firestone . . .
(Thanks, Harvey)
We sing our praise to thee!
(We've got it . . . got it . . . got it . .
. . altogether)

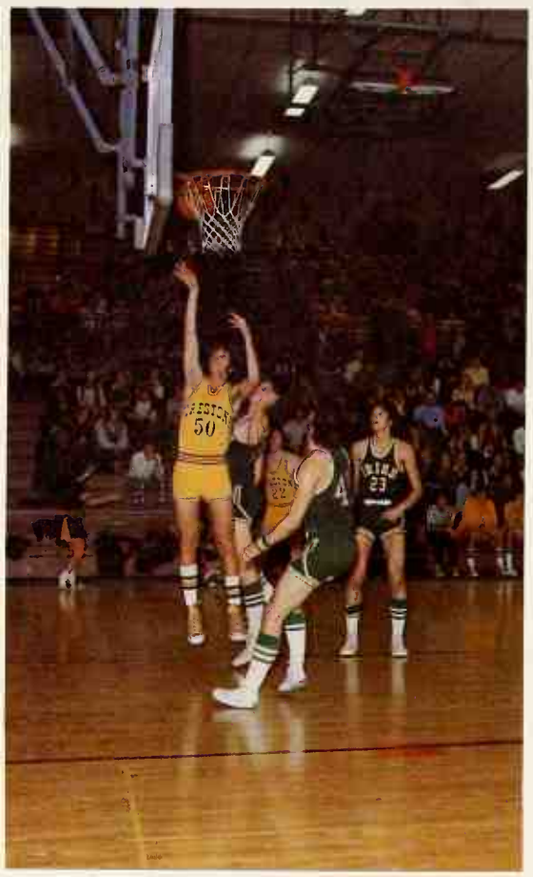
With Apologies to Dr. Seuss.

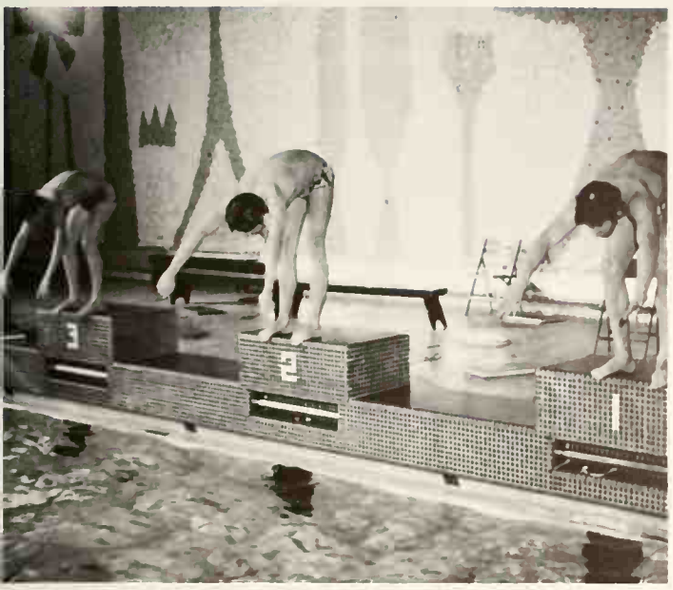
What a senior will do for a laugh . . .



FALCONS

February 1, 1975





February 1st was an exciting day for sports at Firestone. The swim meet against Cuyahoga Falls began in the afternoon. Complications arose when the lights went out in the middle of the 50-yard freestyle race. The judges gave first place to the Tigers on that event, and the Falcons had to come from behind, which they did when they won the 400-yard freestyle relay. The final score: Firestone, 89, and Cuyahoga Falls, 83.

Then, the basketball team met St. V-St. M in Firestone's gymnasium in another fluctuating game. The crowd broke into frenzied cheering as Firestone won its first basketball game, 68-48.

After the game, a mixer was held in the commons featuring the group, THRUST.

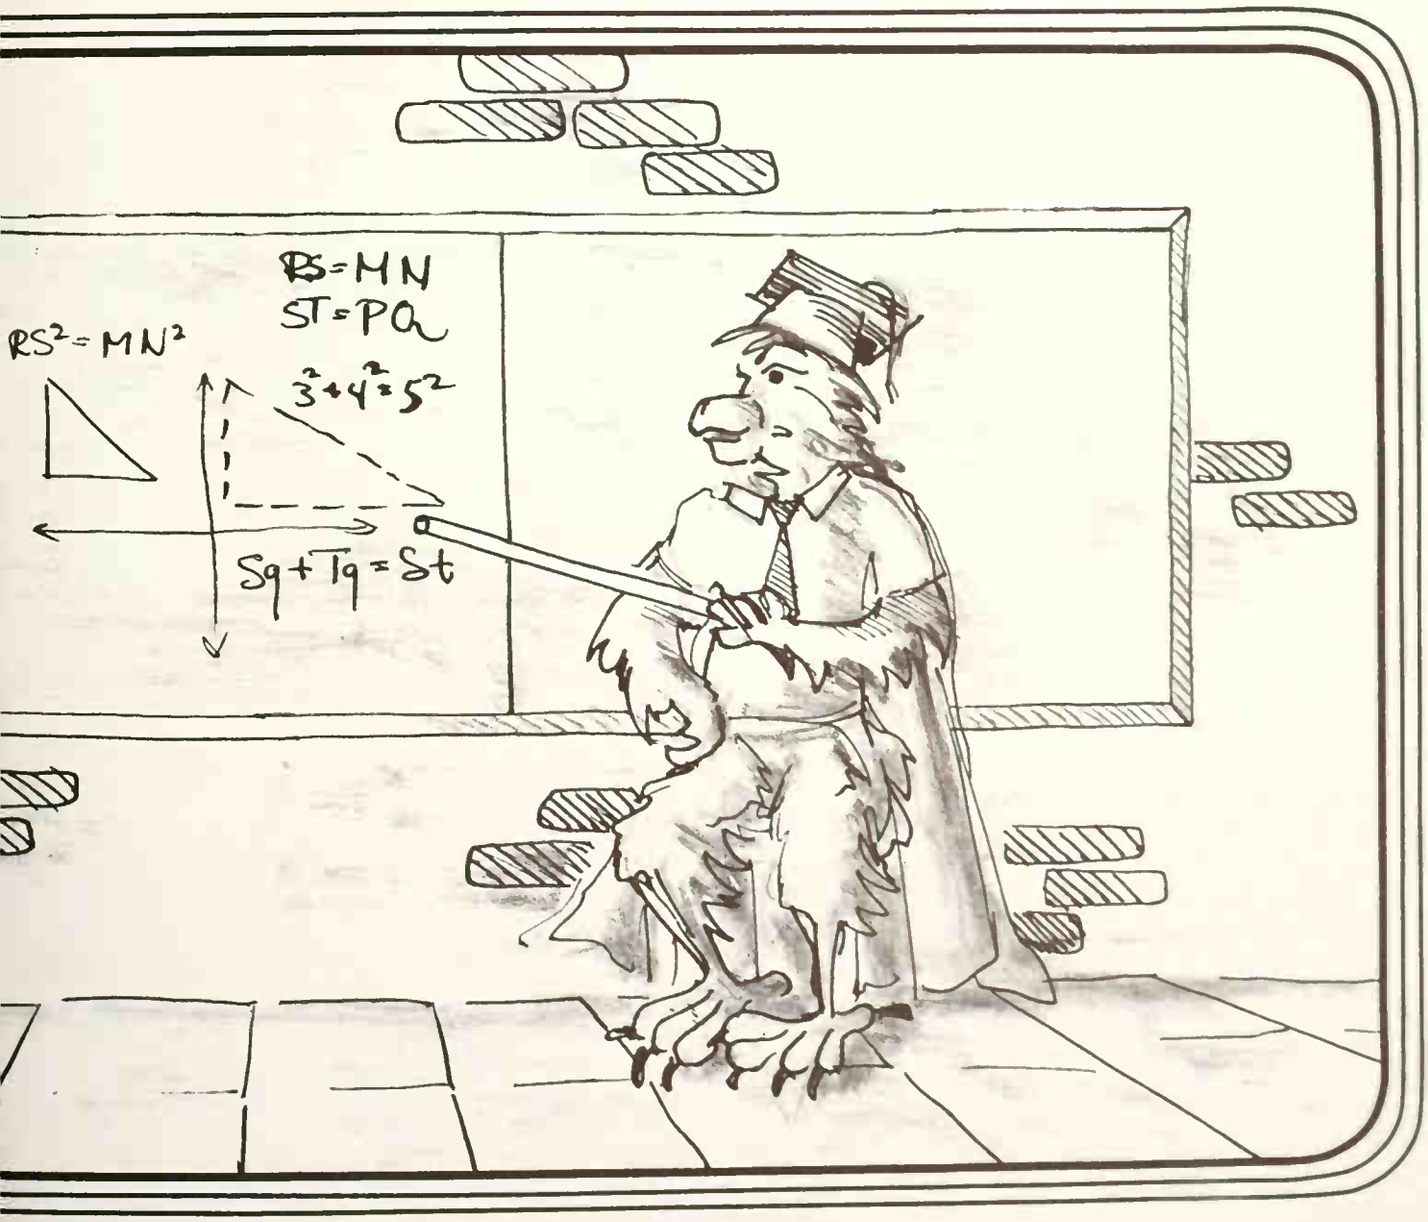
GETTING THERE



Presenting Joseph R. Friedman, Our Principal

MR. JOSEPH FRIEDMAN completed his public school education in the Pittsburgh, Pennsylvania area. During World War II, he joined the navy in his senior year in high school and was awarded his diploma "in absentia."

Following his discharge, he enrolled at Kent State University where he received his BS and MA degrees. Since then he has taken additional study at the University of Akron.

For three years prior to going into education, Mr. Friedman worked in professional journalism. He has taught English, Journalism, and assisted in athletics.

He has served on the executive board of the Akron Education Association, was president of the Akron Area Journalism Association, principal of the Akron Secondary Summer Schools, a member of Phi Delta Kappa, a National Education Honorary, currently serves on the Board of Directors, and is a member of the Ohio and the National Secondary School Principals Association.

Under Mr. Friedman's leadership, Firestone High School diversified its academic offerings into the largest and most varied in the area; additional courses in the sciences, work-study, practical arts, English, and social studies will be offered for the next school year. In athletics, he has incorporated girls' gymnastics, swimming, and track as varsity sports. Soccer, water polo, junior varsity wrestling, and baseball have become part of our program.

Mr. Friedman's continuing administrative goals are to maximize the learning opportunities for all of our young adults and to continue to create a program in which our students, staff, and community take justifiable pride.

Assistant Principals

1. PHYLLIS LERCH
Miss Phyllis Lerch comes in close contact with faculty, students, and parents in her work as assistant principal. She sponsors student activities, Elementary Experience, Peer Advisors, and the Independent Study Program. Elementary Experience students go to an elementary school where they tutor, teach, and work in the office during their study periods. In the Independent Study Program, students may receive credit for exploration of academic areas beyond school curriculum. Miss Lerch also leads an active life outside of school. Her many interests include sailing, fishing, and tennis.

2. CALVIN TRITT
Assistant Principal Mr. Calvin Tritt has been at Firestone since 1962. He is primarily concerned with student discipline. His attempts in teaching the students self-discipline have resulted in more freedom for the students. He, therefore, helps to create a liberal environment that encourages learning. Mr. Tritt's main interest outside of school is sports. If he weren't working at Firestone, he would like to be working at some job where the opportunity to help people exists.

Our Counselors

1. RUTH A. COURTNEY
In addition to counseling students, Miss Ruth Courtney sponsors the Academic Challenge Program and other guidance activities such as the Mental Health Conference. Miss Courtney has lived in Salem, Delaware, Columbus, Tiffin, Elyria, Warren, Lakeside and Akron. She enjoys the theatre, knitting, and music, especially the organ. She would like to be traveling and catching up on her reading if she were not working at Firestone. Miss Courtney's interests in high school were the yearbook, Glee Club, and academic achievements.

2. KAY FLUKE
Mr. Kay Fluke, a certified English teacher, is the senior member of the counseling staff. Along with guidance-related activities, he has served on the committee to establish Coalition, on Coalition for three years, and two terms as president of the Akron School Counselors Association. Mr. Fluke graduated from Kenmore High School where he received the Manhood Award.

3. LOUISE JACOBS
Mrs. Louise Jacobs, a member of the guidance staff, is a certified Mathematics, Biology and Earth Science teacher. A lifetime Akronite, Mrs. Jacobs graduated from West High School (now West Junior High School). Her interests in high school were choir, Latin Club, Service Club, and tutor group. Her interests now include hiking, gardening, needlework, reading, and bridge. She recommends that each student be true to himself and try to be the best person possible.

1. RUTH NILSSON was born in White Plains, New York, and has lived in Pennsylvania and India. She attended Kent State and the University of Dayton. She advises students that "Time is a gift; use it wisely." She will be remembered by the students as saying "O.K. People . . .!"

2. DONALD NUTTER, coach of the Boys' Golf Team, teaches AP Calculus, Analysis and Honors Junior Analysis. He is originally from Windham, Ohio. He graduated from Kent State. His hobbies are hunting, fishing, and sports. If he weren't teaching, he would rather be a farmer or an auto mechanic.

3. GLYN PARKER, sponsor of Chess Club, Bridge Club and Homeroom Reps, teaches Geometry and Technical Math. He graduated from Akron University.

4. MADELINE PRINGLE was born in Brussels, Belgium, and has lived in Belgium and France. She teaches French and sponsors the French Club. Her interests are traveling and people. She also enjoys collecting porcelain, oil paintings, and old French books. Her advice to each student is "Be yourself."

5. TERRY SAPPENFIELD teaches Advanced Biology and the Pre-Post Secondary Health Careers Program. He coaches the Tennis Team and is chairman of the Science Fair. His interests in high school were "sports and french fries." He urges each student to "know who you are." If he weren't teaching, he would like to operate a plant store.

or to know it better . . .

1. ROGER SCOTT comes to Firestone on a one-period basis from Litchfield to teach Advanced Biology. His interests include hunting, fishing, and foraging for native foods.

2. ROBERT SCHLEMMER teaches American Literature and Novel. He supervises the Thespians and the Senior Class Play. He coaches Drama and Comedy in the National Forensic League. His interests include cooking, cycling, and swimming. If he weren't teaching, he would be "out looking for another job." His message to each student is "Hony soit qui mal y pense."

3. EVELYN SMITH, interests in needlework, crafts, sewing, cooking, and gardening, has lived in West Virginia, Georgia, and Kentucky. In high school her interests were sports and dates. If she weren't teaching Home Economics, she would like to be traveling.

4. THOMAS SMITH originally from Kentucky, teaches Speech, Drama, English II—Honors and sponsors the Debate and Speech Club. His interest in high school was making all his teachers love him and conning those who didn't. If he weren't teaching, he would like to be "a professional beach bum on the St. Petersburg coast."

5. RONALD SNIDER, teaches Problems of Democracy, Sociology, and Russian. If he weren't presently teaching, he would probably be working overseas for the state department. His message to students is "learning can be hard work, often dull, but the excitement of learning comes with application and surpasses all other pleasures."

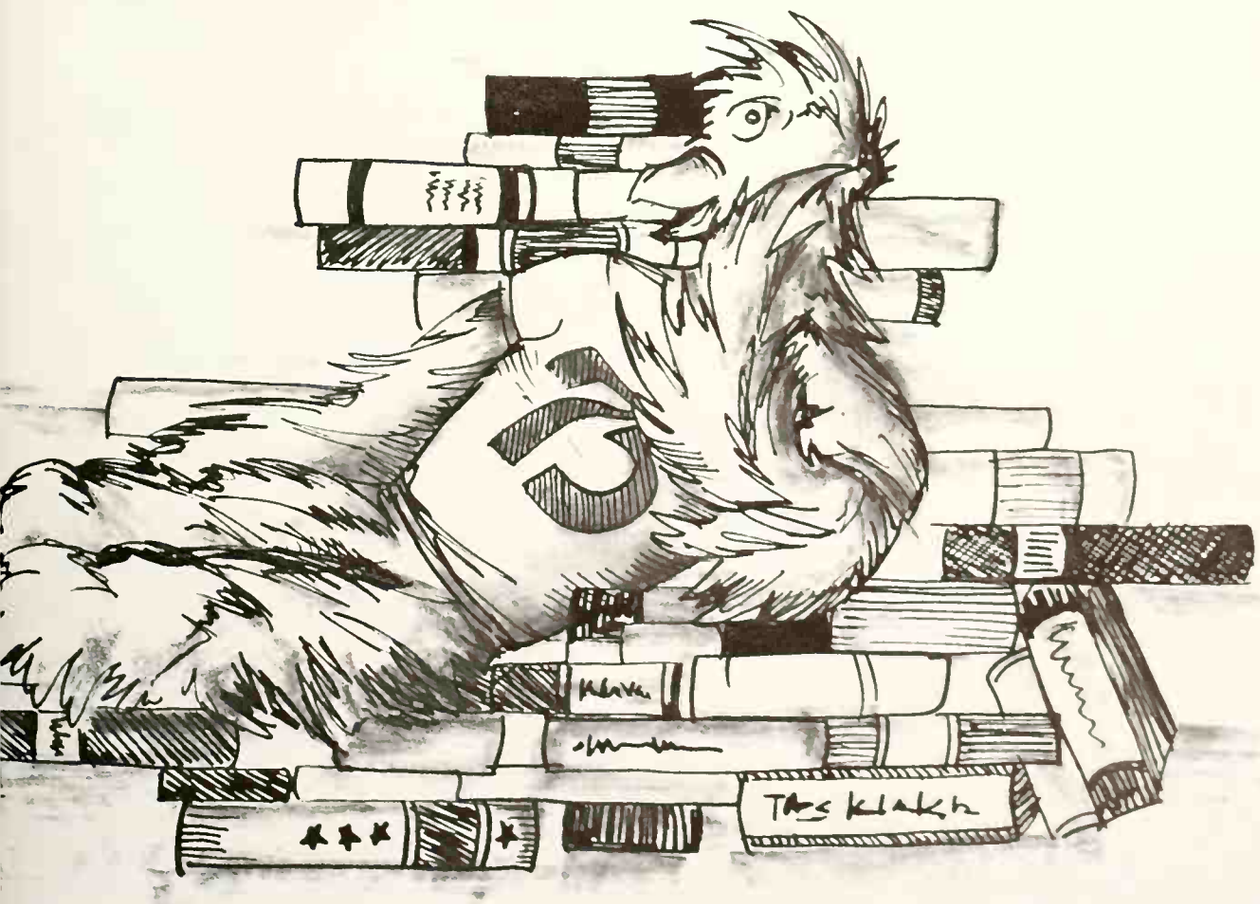
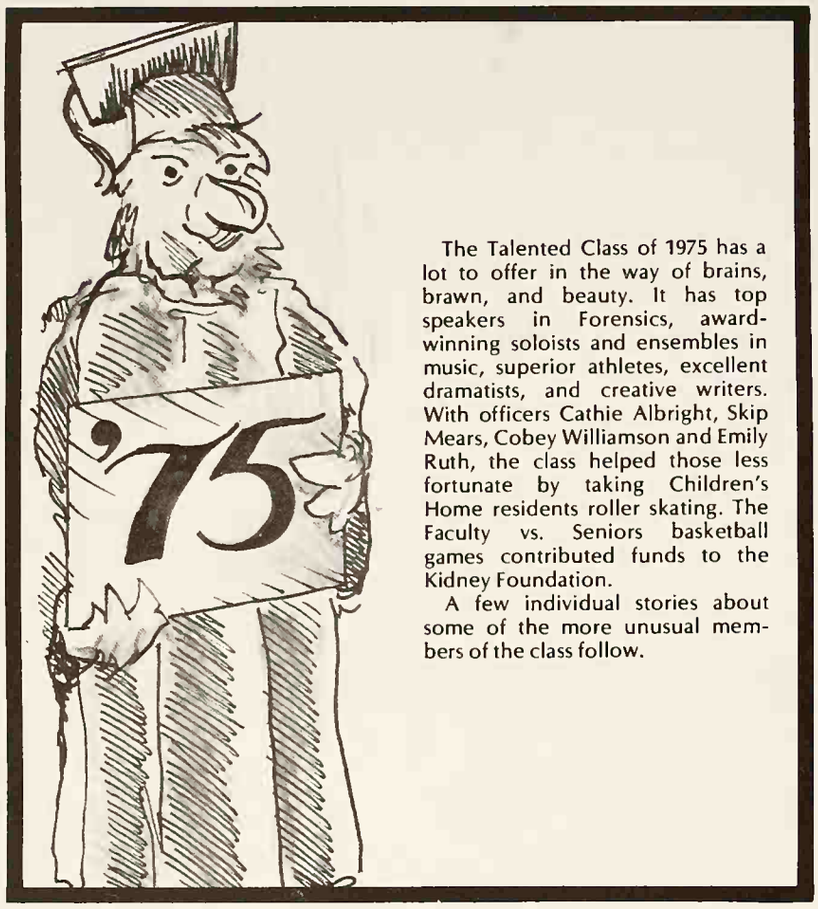
MADE IT





The Talented Class of 1975 has a lot to offer in the way of brains, brawn, and beauty. It has top speakers in Forensics, award-winning soloists and ensembles in music, superior athletes, excellent dramatists, and creative writers. With officers Cathie Albright, Skip Mears, Cobey Williamson and Emily Ruth, the class helped those less fortunate by taking Children's Home residents roller skating. The Faculty vs. Seniors basketball games contributed funds to the Kidney Foundation.

A few individual stories about some of the more unusual members of the class follow.

There is a gentleman who roams around Firestone High at the first of each month and presents a product of his creativity, effort and money. It's called THE BIG TIMES ENTERTAINMENT MAGAZINE, and the young man selling it is Robert Simonds.

From using an 1878 model mimeograph machine to real printing equipment, Robert has built his unheard-of, messy newspaper into a heard-of, neat magazine. He operates at a financial loss. Why does he do it? "It's a hobby, really," Robert confesses. "It keeps me off the streets." Off the streets, maybe, but not out of Firestone's cafeteria, his main distribution point. The magazine reports local entertainment schedules as well as some reviews and stories.

Robert does not plan to continue publishing THE BIG TIMES in college, but he acknowledges that he will probably use his experience and knowledge of publishing and printing in the future.

It's rare for a high school student to own his own business, but Marty Drews is an exception to the rule. Marty and partner Jeff Schobert own their own lawn service. The business began as a summer lawn service and expanded to meet demands; it was incorporated three years ago. Last summer the service did lawn work at 100 residential homes plus some apartment complexes. Marty and Jeff plan to keep the business next year while Marty attends landscaping school, and their ultimate goal is to open a tree nursery of 40-50 acres.

John DeVries has gained a deeper insight of people and their prejudices through his travels abroad. John has lived in Argentina, Venezuela, and France, and has gone to school for a year in Brussels, Belgium.

John feels it has been easier for him to make acquaintances but harder to develop deep friendships because of his short stays in a particular country. Although he had to learn a different language in each country, he has found the U.S. to be the hardest place to live because everyone is reluctant to let an outsider into his circle of friends.

Transcendental meditation has been shown to lower blood pressure and heartrate and thereby lessen the chance of heart attack, and it releases tension.

Craig and Mark Williamson meditate twice a day for seventeen minutes, usually in the morning or after school. Craig had gone to a library lecture and became involved in TM in April of 1974. Mark then picked it up in August of the same year. While meditating, one sits in a relaxed, upright position with the eyes closed in restful alertness. Then the "mantra," or the Indian sound one uses, is repeated until the mind is completely relaxed and serene.

Mark and Craig feel that meditating makes them better able to cope with other people and they plan to continue to practice TM the rest of their lives.

1975 Womanhood and Manhood Recipients

Doreen Paul

The Womanhood and Manhood Awards are the highest honors to be presented to two seniors. The recipients are voted on directly by their classmates. The awards are based on leadership, character, citizenship, and scholarship. This year the awards went to Doreen Paul and Jim Buck.

Doreen was active in the Student-Parent-Teacher Coalition, National Honor Society, Superintendent Student Seminar, VOLPLANE, Service Club and French Club where she served as president in 1975. Doreen was voted most respected by the senior class.

Jim's activities included Madrigals, National Honor Society, and various musical productions. He had leading parts in "Oklahoma" and the Senior Class Play, "Adrift in New York". Jim was also King of the 1975 May Court. He was voted most versatile, best personality, friendliest, and most respected by the senior class.

Under the direction of Mr. Robert Schlemmer and Eric Cohen, Firestone Seniors presented ADRIFT IN NEW YORK OR HER FIRST FALSE STEP on November 22 and 23. Publicity posters were designed and created by Julie Addison and Tracy Wallach.

The play is a melodrama of the Gay Nineties, complete with hero, heroine and villain. Jack Merriwell, a "poor but honest man", wants to marry Nellie Weston, a virtuous, young lady. To his horror he discovers that she has taken up with the city man, Francis "Desperate" Desmond, who wants to make Nellie a great singing star AND his newest conquest. He asks Nellie to marry him and threatens to foreclose the mortgage on the old farm if she doesn't. Meanwhile, Jack has been accused of a murder that Desmond has committed and is thrown in jail. He breaks free and follows Nellie to New York where she has promised to meet Desmond. Not finding him, and cold and hungry, Nellie seeks employment at a "honkytonk", where, by coincidence, Desmond's fourth wife works. Sadie May reveals what a scoundrel, a rogue, and a dog Francis is, and Nellie maintains her precious virtue. Jack, too, has sought work at Fogarty's Bar and he rescues Nellie from the evil clutches of Desmond's gang of cutthroats and thieves. Both return to the Weston farm in time to save it from the villain and to see him arrested for the murder. The play ends on the triumphant note of evil punished and virtue rewarded.

Greaser Dance!

A little grease and a lot of snow

During the year's last major snowstorm on March 14, the walls of Firestone were reverberating with the sounds from the hits of the 50's at the third annual Greaser Dance. Students boogied, jitterbugged, and twisted to the music of the Supercolossal Grease Band and Dancing Cruising Chorus. Half-time activities included a dance contest and the crowning of the Greaser King and Queen. This year's royalty was chosen on the basis of how much money was collected by the individual for the Kidney Foundation. The honors went to junior Doug New and senior Laurie Shoup. The dance contest winners were Leslie Smith and John Poleondakis.

All-Star Game

The surging crowds had to be held back at the All-Star Senior Women vs. Faculty Women basketball game on March 12. It was inevitable that the Senior team would win, but the Faculty fought valiantly despite their mistake of letting their star player become played - out. Youth and beauty won out, however, and the final score was Seniors 22, Faculty 19. All money collected was donated to the Kidney Foundation.

Senior Banquet

The 1975 Senior Class Banquet was held on May 22 at Akron U.'s Hilltop West. The evening began with a prayer by Suzy Bartholomae. After the class had its fill of dinner, the program started with Kathy Holmes performing "Clouds," by David Gates, and "People," her own composition. Mr. Bruce Blake had seniors rolling on the floor with his hilarious antics during his speech, "Hats Off to '75!" The evening ended with closing remarks from President Cathie Albright.

Baccalaureate—"Rejoicing in the Differences"

This year's Baccalaureate ceremony was held June 1, 1975, at 3:00 p.m. in the school auditorium. Highlights of the program were narrative readings by Melinda Gipson, interpretive dancing by Kit Thorburn, music by Kathy Holmes, Linda Wroblewski, and Jim Buck; a slide presentation by Beverly Brown, Rosemary Rakas and Jackie McClure; and an original benediction written and given by Eric Cohen.

Heavenly Father,

As graduating seniors, we ask Thy blessing upon us. We have been given the knowledge we need to function in our future years and may we have the wisdom to use it wisely.

"Thou makest us to know the path of life." We each know where we are headed and what studies we plan in our future years. For all of us, certain and uncertain of our plans, lead us wisely so that we might qualify and fit more ably and efficiently into the society we are about to enter.

Hopefully, we will be guided rightly towards our life's endeavors and will be able to uphold and help advance the pursuit of peace. "In Thy presence is fullness of joy, In Thy right hand bliss for evermore."

May joy and bliss follow our endeavors and lead us correctly toward a more complete understanding of ourselves and one another. Thou has guided us through our Elementary, Jr. High, and Sr. High school years most ably and wisely. But, may our future years be even more abundant with Thy gifts of knowledge and love.

Guide and teach us to do deeds that will do honor upon all who are dear to us, our alma mater, and our country. "Be glad in the Lord, and rejoice, ye righteous; And shout for joy, All ye that are upright in heart."

We have finished our first years of life, but may we live lives long and healthy enough to put these first years to good use. We may rejoice now that our high school years are over but let us not forget the years to come. Help us to live these years easily, righteously, and to their fullest extent possible. Thankyou for all Thou has done and may Thou continue to help us from this time forth and forever more.

Amen.
—Eric Cohen—

Hammett's Harriers capture another first

This year's cross country team, led by Coach Donald Hammett, captured first place in city series competition. The team worked hard to keep its position by running the two mile course at Goodyear Metropolitan Park at each event. The team was proud of member Rick Zurz, who placed first in the sectional meet and went on to place thirteenth in district competition. Other outstanding runners were: Brent Friedman, who placed second in the city; and Charlie Lee, who was the Most Improved Player.

Rick Zurz, running his third year for the cross country team, made his way to the first place position in the sectional meet. With a time of 10:19 in the two mile run, Rick went on to place 13th in districts which qualified him for state. At the state meet, he was unable to place. Rick started his running career at Litchfield Junior High as a 9th grader. He decided to continue running in the future, so he ran for Hammett's Harriers. After graduation, Rick plans to run for enjoyment and take it easy.

Viland's Eleven win one

Coach Eugene Viland

"Although disappointed in the record, we made every game exciting," Coach Viland stated as the Falcon football team finished the 1974 season with a 1-7 record. The single victory came at the end of the Homecoming game as the mighty Falcons scored 47 points over the Central-Hower Eagles. Marty Bezbatchenko was the city's leading scorer with nine touchdowns. He received the honor of being named on the first string All-City team while Joe Flohr was named on the second string, and Bruce Horning received an Honorable Mention.

Bender's Booters place second in city

The 1974 soccer team started their third year as a varsity sport with new uniforms purchased by the Adult Booster Club. Their slogan was "Will-power", and that's what it took as they finished their season with 8 wins, 4 losses, and 2 ties. They had an exciting season, suffering their greatest loss to Central-Hower when they lost the city title; this placed them second in the city. Outstanding players were: John Wiseman in defense, John Harrington in offense, and Neil deVries in scoring. Co-Captains Tim Bader and Pete Spink led the team through a challenging season. At the banquet held at the end of the playing season, Tim Bader was given The Most Valuable Player award.

The golf team continued Firestone's winning tradition by remaining undefeated in city-series competition and taking first place in the city for the second consecutive year. With an impressive 11-3 record, the team finished the season with seventh place in the districts.

John Turgeon, a third-year letterman, was the team's number one golfer. Coach Donald Nutter said that this is a distinct honor and a tribute to John's golf game. Four lettermen will be returning next year.

Introducing McDonald's fillet of fish

Coach Pat McDonald led his team to another first place position in city series swim competition. The team finished the overall season with a dual meet record of 18-4. The season was highlighted by a relay victory in the Fairview Relays and dual meet victories over University School, Berea, and arch-rival Cuyahoga Falls.

Four school records were set this year—the most since 1969; they were: Tom Laraway in the 200 freestyle; Junior Jim Walter in the 100 butterfly and the 500 freestyle; and Bruce Bain, Tom Laraway, Chris Wilcox and Bob Drexler in the 400 free relay.

At the state meet the team was led by Captain Frank Finelli who finished 11th in the Individual Medley and Junior Jim Walter who was 9th in the butterfly and 12th in the 500 freestyle.

Knight's Roundballers barely bounce back

Coach Preston Knight's Roundballers finished a disappointing, but exciting season with a 1-15 record. Their only victory came when the mighty Falcons met the fighting Irish on February 1, 1975. This game helped the Falcons pave their way to the Sectional Tournament where they defeated Walsh, 55-53. The team finished the season when they were defeated by Central-Hower. The Most Valuable Player was Andy Duke.

Laubaugh's Grapplers struggle through season

The Firestone Falcon Wrestling Team finished another challenging season with a 5-7 record. Although the team did not do as well as they hoped to, they still were able to send some of the outstanding wrestlers to sectional competition. Heavyweight Dave Welner placed fourth in his weight class, Bruce Horning placed third, Pat Laman placed third, Dave Dies placed second, and Mike Moore placed first to continue Firestone's winning tradition. Coach Ron Laubaugh led his men to districts, but none of them were able to compete in state competition this year.

Marshall's Batmen fly into Sectionals

Thanks to Coach David Marshall, this year's baseball team finished another outstanding season with 10 wins and 9 losses. Captain Mark Fisher led the team through city series competition and on to the sectional tournament where they defeated Buchtel and Barberton in separate games. Advancing to districts the team was defeated by Cuyahoga Falls with a score of 7-4.

This year the team was able to play on the new Fairfax Field. The official dedication was held on May 3, 1975, and visitors included Akron School Administrator Wm. Tenney and Mayor John Ballard. The field will be used for home games during future seasons.

Terry's Tennismen ace City Series

"This was the first time that I ever coached a team, and I would certainly do it again," said Coach Terry Sappenfield as the tennis team finished their city series competition with an 8-0 record. Coach Sappenfield is a tennis player himself, and he was proud of the team's performance. The biggest win came for the team when they beat the powerful Whetstone team. Outstanding players were: Chris Harris, with a record of 16-3, and Chris Wilcox, with a record of 14-3. Mike Cope and Brian Rosenthal also had outstanding records with only 4 losses each. Finishing the season with an overall 23-6 record, the team did not have any points scored against them in City Series competition.

Green's Gunners set the pace

Co-captains Tony Retikas and Rick Zurz led the track team to a fourth place victory in city series competition. New school records were set by Tony in the low hurdles and by Rick in the mile run. The team finished the season with a 13-2 record. The mile relay team of Tony Retikas, Larry Hoffman, Craig Dagilis and Ed Clark was able to advance to sectional competition along with Rick Zurz and Tom Warsinskey. Rick Zurz went on to place third in districts. Over-all, the season was a great one for the fleet-footed Falcons. Speaking of the successful season, Coach Green said, "This was the greatest band of seniors that I have ever known."

simple and free

The Homecoming weekend of 1974 began on Friday, October 4 with a dramatic 47-30 victory over Central-Hower. This was especially exciting because it created a new high scoring record for the Falcons. During the half-time activities, the Homecoming court was introduced as the marching band played the theme song "Just You and Me." At that time, Barb Johnson was presented as the Homecoming Queen with Sheryl Dettke as Crowner. The dance was held the following evening with the music of SOMA.

1. Sheryl crowns Barb amidst the excitement. 2. Co-captain Mark Fisher makes it official. 3. Spectators enjoy watching the game. 4. Joe Flohr (number 12) gains yardage for the Falcons. 5. Within Firestone there are several organizations that perform vital duties in the school and keep the students interested in activities and special opportunities. Service Club has been in charge of the old shoe drive.

Interclub Council consists of the presidents of all other clubs.

Coalition is the legislative body in the school. It reviews problems within the school and presents bills to improve the existing situations.

Homeroom Representatives are in charge of many of the social activities. They have also organized some charity projects.

Members of the LRC Club donate their student center periods to work in the Learning Resource Center.

Foreign Language clubs at Firestone enable students to experience the cultures of other countries as well as to utilize the languages they have learned in classes.

Spanish Club's first activity of the year was a Mexican dinner at Benito's Restaurant in Tallmadge. In January the club cooked itself a dinner at Firestone. Club advisor is Mr. Donald Hanlon.

French Club had a traditional French dinner in the fall and a progressive dinner in the spring. In February they attended the performance of Marcel Marceau at E.J. Thomas Performing Arts Hall. Mrs. Madeline Pringle is the advisor.

Advisors for the German Club and Russian Club are Mrs. Maria Todorovic and Mr. Ron Snider, respectively.

OKLAHOMA!

Rodgers' and Hammerstein's OKLAHOMA! opened at Firestone High School on February 21, 1975. Directed by Mr. Arnold Thomas and Mr. Joseph Lentine, it ran for four successful performances.

OKLAHOMA! is an American folk story. The hero is Curly, a cowboy, and the herione is Laurey, a farm girl. Curly has come to ask if he may escort Laurey to the Box Social that night, but she has promised to go with Jud Fry, a surly farmhand, chiefly because she is afraid to refuse him. At the party, Curly outbids Jud for Laurey's lunch, and when the bitter farmhand threatens the girl, she fires him. Curly and Laurey finally realize their love for each other, and on their wedding day Curly sings with pride of his native state, Oklahoma.

Firestone's orchestra presents three main programs each year. It presented an annual winter concert and "An Afternoon With the Masters" in conjunction with the combined choirs. It performed at Chapel Hill, Summit Mall, and at a number of elementary schools during the year. The orchestra also played all music for OKLAHOMA! in February.

Again this year, the Firestone Marching Band won the All-City Band Trophy. This is the fourth time in the six years of its presentation.

This year, besides supporting the football team with its half-time shows, the band performed at a special Band-O-Rama show in the fall. In August it marched in the Soap Box Derby Parade. For one week during the summer, members went to a band camp where they practiced marching for seven hours each day.

Choirs and Goldiggers

A Capella Choir is a select group of singers directed by Mr. Arnold Thomas. In December the choir performed at the Akron City Club for the Kiwanis and at O'Neil's for the public. It also presented its annual Winter Concert for the school at that time.

In March the choir went to the District Choir Contest held at Copley Senior High School, where it received a superior rating. A combined Men's Chorus received an "excellent" rating, while the combined Women's Chorus earned a "superior" at the same contest. The choir also performed at the Akron and Springfield Choirs-In-The-Round Concerts.

"An Afternoon With the Masters" was an April concert presented in conjunction with the orchestra, and featured selections from the opera, "Carmen" by Bizet, and Schubert's "Omnipotence."

Firestone speaks

On any Saturday during tournament season, the members of the National Forensic League prepare to compete with other speakers from across Ohio. The team is coached by Mr. T. Smith.

National Thespians was born at Firestone when Footlighters became Troupe 3100 in January. The spring production consisted of a one-act play and other displays of the theater.

VOICES is Firestone's literary magazine, publishing students' pieces of art, poetry, and prose.

FOCUS began publication in the fall with a completely new staff and advisor, Mrs. S. Cliff.

"Generations": An Experiment

Footlighters, Troupe 3100 of the International Thespian Society, decided to present something different for their annual spring production this year. Under the direction of Advisor Mr. Robert Schlemmer, an evening of entertainment was provided on April 18 and 19 with the title, "Generations." The production consisted of four one-act plays and a poetry and dance section depicting the growth of man from birth to death. The troupe, newly chartered this year, wanted to show the many facets of theatre in its production, instead of being limited to the conventional three-act play as it has in the past.

How wonderful life is

2

On Saturday, May 3 at 8 p.m., the Firestone cafeteria was filled with the sounds of HOBBIT for the annual May Dance. The theme for the dance, "How wonderful life is while you're in the world," was taken from "Your Song," by Elton John. At 9:30 King Jim Buck and Queen Cathie Shepherd were crowned by Skip Mears and Pat Underwood. All four then led the court in the traditional dance to the theme song.

THERMO-RITE BI-FOLD

IMPROVE YOUR FIREPLACE
WITH A THERMO-RITE
the "original" heat-tempered
GLASS FIRESCREEN

THERMO-RITE® BI-FOLDS OR
TWIN DOORS

For those who appreciate the finest

"HERE'S THE FUEL SAVER"

Bi-Fold or Twin doors provide clear view of your fire, through crystal clear tempered glass doors, with double frame rigid construction. This provides a most elegant setting for any fireplace. Adds lasting beauty to any home.

- Radiates uniform even heat, floor-to-ceiling. Draft-free floors; BURN WOOD, COAL or GAS.
- Fingertip control of fire, from standing position.
- BIG savings on your central heating system fuels such as your wood, coal, gas, or electrically heated homes, THERMO-RITE ends this costly heat loss from escaping up your chimney at the rate of 200 cubic feet a minute.
- Eliminates SPARKS, SMOKE and SOOT, reduces cleaning bills.
- Fire can be left unattended. Protects children and your home. (No need to babysit for your fireplace.)
- Corrects stubborn, smoky fireplaces.
- Lasting charm and beauty . . . for gracious living. (Lacquered, requires no polishing.)

Solid Brass Polished Facing. Baked Lacquered . . . No polishing. CAUTION—Do not compare with most others — that are STEEL, BRASS PLATED.

"WHERE THERE IS BEAUTY . . .

WE TAKE IT;

WHERE THERE IS NOT . . .

WE MAKE IT!"

That's what the sign hanging over a doorway of Carpenter's Studio says.

Vince, Doris and Doug Crawford enjoy working with people of all ages. Perfection is their goal and they achieve it in many ways. From children to adults, portraits to weddings, this family team aims to satisfy the customer. Located at 789 West Market Street, Akron, it is convenient to the residents of the surrounding areas in coming to the studio or for the photographer in going to a particular location. Constantly changing with the times, new techniques and modern outlooks on photography are characteristic of the work done at Carpenter's Studio. Office hours are Monday, Thursday, Friday and Saturday, 9:00 AM to 5:00 PM and Tuesday 9:00 AM to 8:00 PM. Call for an appointment at 762-9276 and enjoy with pride what Carpenter's Studio has for you.

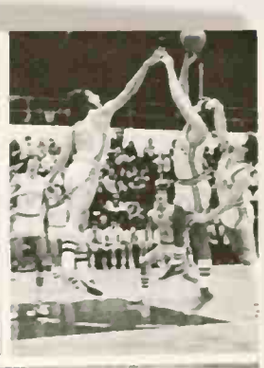
The Dedication

Since 1962, Mr. Calvin Tritt has faithfully served the students and community of Firestone High School. We, the yearbook staff, dedicate the 1975 VOLPLANE to him.



Our Observations

... The senior year is the time when students are forced to give up MAD magazine for TIME

... Swenson's has 32.6% fewer greasers than Sky-Way

... The true test of one's driver's education is the school parking lot

... The next bestseller will be HOW I LOST IT AND HOW IT AFFECTED MY TIME TESTS by Ron Snider

... Fisher-Fazio's is the best place to buy toilet paper for other-than-hygenic reasons. Three reasons: the store is open all night, the stock is large and colorful, and the price, when bought in large quantities, is relatively inexpensive

... There is an average of .6% broken bones at every senior activity

... Revere and Copley have adopted Burger King as their natural habitat, while Firestone and Buchtel favor McDonald's

... Sooner or later, everyone runs into someone they know in the literature section of the public library

... Blossom Center is a nice place to meet people and gain a few cultural experiences

... When a student becomes 18, he no longer pulls out his library card when asked for identification

... Shaving cream does not comb out of one's hair at (yawn) 1:30 in the morning. It must be washed out

... Mr. Green said "Got it?" 263 times throughout the track season

... It cost $71 to clean up what 200 seniors can "create" in one night

... Montrose is the favored drive-in movie of Firestone's students. Could it be the popcorn or the swing sets?

... Judging by the quality and talent of the class of '75, there's hope for the future

... We had a great time putting this yearbook together. Thanks to all the students, faculty and administration, and the athletic department for their undeniable cooperation.

... Dev and Gresh
